Enterprise ERP Dedicated Manual Series

Volume 6: Finance Officer & Accounting Manual

Module 10 & 11 Focus: Double-Entry Vouchers, Agent Wallets, Period Closing & P&L Analysis

[!NOTE] **WELCOME FINANCE OFFICERS & ACCOUNTANTS** This manual provides step-by-step instructions for managing double-entry financial ledgers, agent digital wallets, POS cash session reconciliations, financial period locking, and Profit & Loss (P&L) statements.

1. Executive Summary & Role Definition

As a **Finance Officer** or **Accountant** at AAU Chamo, your primary responsibility is to maintain complete financial accuracy, enforce double-entry ledger controls, manage agent credit lines, and verify station cash flows.

Primary Duties

- 1. **Double-Entry Voucher Posting:** Record income and expense vouchers against standardized financial accounts.
- 2. **Agent Digital Wallet Management:** Process wallet deposits, credit limit adjustments, reversals, and monthly continuity statements.
- 3. **POS Cash Reconciliation:** Audit cashier shift reports, verify cash-to-bank deposits, and resolve drawer variances.
- 4. **Financial Period Closing:** Lock past accounting periods to prevent unauthorized backdated entries.
- 5. **P&L & Financial Reporting:** Generate real-time Profit & Loss statements and financial summary ledgers.

2. Section 1: Double-Entry Financial Vouchers

AAU Chamo ERP enforces strict **Double-Entry Bookkeeping Principles**. Every financial entry automatically updates corresponding Debit and Credit ledger accounts.

1. Navigate to **Financial Management** → **Financial Periods**.
2. Select the completed period (e.g., **July 2026**).
3. Click **Lock Financial Period**.
4. Once locked, the ERP will reject any future attempts to post, edit, or backdate entries in that period.

5.2 Generating Profit & Loss (P&L) Statements

1. Navigate to **Finance** → **P&L Statement**.
2. Select Station Filter (*All Stations* or *Specific Location*) and Date Range.
3. The system calculates:
 - **Gross Revenue**: POS Sales + Cargo Freight + Booking Fees.
 - **Cost of Goods Sold (COGS)**: Direct product acquisition costs.
 - **Gross Operating Margin**.
 - **Operating Expenses (OPEX)**: Salaries, utilities, maintenance, fuel.
 - **NET OPERATING PROFIT / LOSS**.
4. Click **Export P&L Report (CSV)** for board presentations.

6. Section 5: Finance Troubleshooting Guide

Problem	Cause	Solution
"Posting blocked in closed period" Error (422)	Entry date falls within a locked financial month	Adjust transaction date to current open period, or ask Admin to temporarily unlock period.
Agent booking rejected for "Credit Limit Exceeded"	Agent wallet balance + credit line insufficient	Have Agent deposit funds or submit a Credit Limit Extension Request for Admin approval.
Cash session closing displays negative variance	Cashier drawer is short on physical cash	Audit cashier receipt logs. Record variance as an Employee Shortage Receivable if uncorrected.
